

Work and Study In Ireland

Why study in Ireland at ELI Schools?

Ireland is famous for hospitality and the Irish people are naturally warm & friendly. The country has a rich cultural heritage in music, art, poetry and dance and the cities are buzzing with things to see and do. The nightlife is world famous, but equally attractive is the accessibility of the great outdoors and the range of activities from hiking to biking and sailing to cycling. **What are you waiting for?**

- Beautiful, safe, and exciting country in Europe
- Beautiful schools in the centre of the city
- Strong curriculum and excellent teachers
- Young country with friendly people
- Fast growing economy with lots of student jobs

Why ELI Schools?

Community

At ELI we encourage a strong sense of community. Our Student Experience team will invite you to participate in social events, activities, and tours to get to know the city and to meet likeminded students who are on the same journey.

Learning Environment

Aside from our community, we invest in our school facilities to create an environment that inspires learning. Our classrooms are bright and spacious, and our student lounges are comfortable and creative. Our unique artwork and style help to create a welcoming atmosphere for all.

Diversity

We seek to create a global community of learners from different countries, lifestyles, cultures, and traditions all united by a common goal to transform their lives through English.

Sustainability

We aim to be the first carbon neutral school. We invest in projects that plant trees to offset carbon created by our students during their time with us. From 2021 our projects will plant over 10,000 trees all over Ireland and beyond.

Work & Study Program

Work & Study Program

Our Work & Study programme is ideal for students who want to improve their English while living & working in a beautiful country and experiencing the authentic Irish life. The programme includes 6 months (25 weeks) of tuition, a globally recognised exam and an 8-week holiday over an 8-month visa.

General English or Exam Preparation

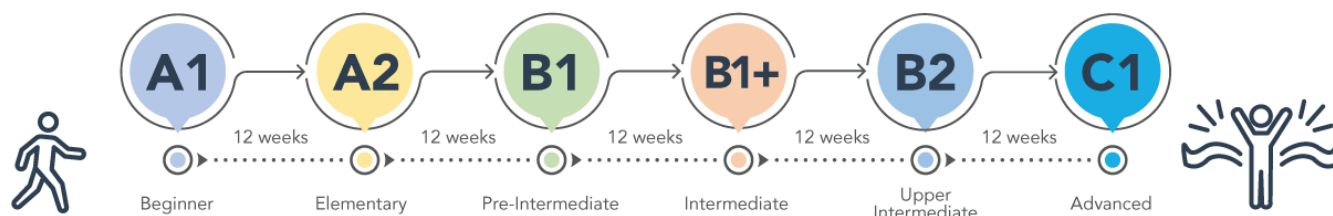

Our core program is General English 15 hour which focuses on the four main skills while developing each student's individual grammar and vocabulary. Students can upgrade to a 20-hour program with a choice of Speaking Fluency or IELTS Preparation. We use a digital coursebook with interactive material and an online workbook enabling you to test and track your progress.

Entry Requirements & Progression

The Work & Study program has a rolling start date with new students starting every week. Students must be 18 years of age by the course start date and have a minimum A1 level of English. In total students may study for a total of three consecutive 8-month programmes over 24-months (2 years).

Level Assessment & Progress

Every learner is unique, and your rate of progress depends on many factors. Every student is individually assessed on arrival and placed in an appropriate class for their level. Our curriculum includes a progress test every 6 weeks and a progression test every 12, with a class test every week to ensure you understand and know where you are at every step.

Immigration & Proof of Funding

All students applying for this programme are required to have access to €3,000 on arrival in Ireland. This is to cover the cost of your living expenses until you can start working and earning money. On arrival in Ireland every student will need to register with local immigration. The registration process is simple and takes from 4 to 6 weeks to complete.

Student Life & Working Rights

There is so much more to life at ELI than the time spent in the classroom. We offer a range of activities and tours to ensure you get to explore the city and culture. Participants on this program are entitled to work part-time 20 hours during tuition periods and full-time 40 hours during holidays. We host a weekly workshop to give advice and top tips on how to find work.
